# Expedir *Utility Bike*

With an extended rear carrier and base loaders with a load capacity of up to 120 kg (260 lbs), the Expedir has plenty of room to fill up your cycling life. Carry your work, play and loved ones - all in one go!

A 26" Front and 24" rear wheel bike, the Expedir features eZee's premium choice of components, such as our unique 250W brushless motor drive system, a sturdy chrome-moly frame, 37V 14Ah Li+ Battery and the NuVinci 360 hub.

Choose from a plethora of accessories to complete your ideal ride, making your day's journey packed with fun.

## Technical Specifications
